

YEAR 1/2 CLASS

This term the year ones and two's have been learning and talking about personal strengths and strengths of others. We have learnt that everyone is different and we are each good at different things. It is important to recognise other people's strengths. You can use your strengths to help others and you can seek help from people in areas that might not be a strength of yours.

In groups, the children discussed their classmate's strengths (in class, outside the class, and socially). We made a display so that the children were reminded of the nice things their classmates' had noticed about them.

We are all strong
in our own way!
