

Year 1/2 Class Pet Adventures

The year 1/2 class would like to introduce you to our special friend and class pet 'Tim'. Tim goes home to a different student each weekend to get to know their families and friends outside of school. So far Tim has been on lots of amazing adventures and we would like to share them with you.

'On Friday we took Tim to tennis at the sports club but we accidentally left Tim in the car. On Saturday morning Tim drove to Geraldton with us. He came to tennis. Then he came to swimming at Aquarena. He wore my green board shorts. His board shorts fell off because they were too big. When we got back home we had a campfire with Mila and Bonnie. They are my cousins from Perth. Tim helped me toast marshmallows. I ate four and Tim ate one. On Sunday we all went to Nana and Pops. I played chess with Uncle Simon while Tim watched. Tim slept on the mattress in my room. I hope he had fun with me.'
