

In May, we celebrated Mother's Day with a garden tea party. It was a lovely morning for all involved.

MOTHER'S DAY

WE GAVE THE MUMS A NEW HAIRSTYLE

K-PP 2017

On the 12th of May, the Kindy and Pre-primary children pampered their Mothers and grandmothers in the K-PP play area. Children painted their mums nails, gave them a massage and a new hair - do. Together mums and children created necklaces and picture frames. The morning was finished with a cup of tea or coffee (or a dirty Chai for the more cultured mums!), and a delicious brownie, ANZAC biscuit or piece of cake. The morning was so enjoyable it may become an annual event.
